1. This rebate is available to current members of Jay County REMC who purchase a new qualifying water heater from vendor other than the REMC.
2. The water heater must be installed on Jay County REMC lines.
3. The Jay County REMC is not to be held liable for any part of the water heater or its installation. All warranties and/or guarantees are the sole responsibility of the manufacturer and the designated agents.
4. The rebate is for new construction or gas to electric conversion or a replacement water heater.
5. All water heaters must be a minimum of 30 gallons with an energy factor of .91 or higher. Tankless water heaters do not qualify for rebate.
6. All water heaters purchased will be inspected for proper installation and qualifications.
7. All requirements for the water heater rebate program are outlined in Jay County Policy Bulletin No. 2-3A.
8. The amount of the bill credit is \$200 for new construction, \$175 for gas to electric conversion, and \$125 for replacement of existing electric.
9. Only one rebate submission can be made per account per year.
